# WELCOME

## WELCOME TO HI-TEC OILS TOOWOOMBA SPEEDWAY

Happy Easter and welcome to the 59th running of the Australian Formula 500 Championship, this season being proudly sponsored by Aero6Four Racing Products.

The Formula 500 division is close to my heart, as it was the class that gave me my 'start' in speedway commentary and media more than a couple of decades ago. It was the early 2000s, and the Fraser Coast Formula 500 club asked me to do some media and commentary for their series which lead to my first ever commentary gig at Carina Speedway in Bundaberg. For the record, Mick Pronger won that night ahead of his son Nathan Pronger.

It gives me a great sense of pleasure and pride that this will be the first ever time the Australian Formula 500 Championship has been held in Toowoomba. As we all know it is a division with so much history and is an exciting product. Almost 50 cars from every state and territory in the country have nominated for this weekends event and the depth of quality is truly sensational. It's a true Australian Title that still has a genuine state by state rotation and takes 8 or so years to come back around to your home state.

Defending Australian Champion Dylan Beveridge will be hoping to make it 3 in a row, before retiring from racing. I'd like to sincerely thank Dylan for his marvellous contribution to Formula 500 racing both here in Australian and America and wish him well as he steps away from racing. He will be joined by 3 former Australian Champions, Matt Brown, Dylan Willsher and Liam Williams, who could create history this weekend by becoming the first person in 59 years to win 5 Australian Titles.

Add in an amazing line up of current and former state champions this weekends race is as wide open as it gets. We'd like to thank all of the drivers, teams and their fans that have travelled long distances and at a great expense to be here this weekend. We value your support and thank you from the bottom of our hearts for supporting this event at Hi-Tec Oils Toowoomba Speedway.

I'd also like to thank the Brisbane Formula 500 Club, along with the state and national bodies for their hard work and dedication to this event during the past 12 months. There is a hard-working committee behind the scenes that have all done a truckload of work to make this weekend happen, and I thank you all. I'm always reluctant to call out individuals in releases like this, but I'd like to acknowledge the hard work, support and guidance I've had from both Liam and Kristin Williams in the planning and preparation for this Australian Title. This weekend wouldn't have been possible without their efforts, so thank you so much!

I'd like to also thank Ryan and Cameron from Aero6Four Racing Products for their financial contribution as major naming rights sponsor of this season Australian Title. Without generous sponsors like Aero6Four Racing Products, events like this simply don't happen, so please support the people that continue to support our sport.

I'm also to see a terrific field of over 20 Junior Formula 500s contest this weekends event and witness the stars of the future do what they do best. There is no question that the Junior Formula 500 division is a terrific category to breed the next generation of our sports superstars.

Making up the program this weekend will be Production Sedans contesting the Moore Trailers Champions Series powered by Steering & Suspension Warehouse, and the Street Stock Engage Ag Ironman Series. Saturday night is round 4 for both divisions, with the grand finals being contested on Easter Sunday. I also need to thank the local Charlton Raceway sedan club for tipping in an additional \$3,000 in prize money this weekend for the senior sedan divisions. These additional funds are made possible through the 50/50 raffles they run at our venue every single weekend. Compact Speedcars return on Sunday for the Paul Messer Memorial.

Thanks again to everyone for their efforts making this weekend possible and thanks to everyone that's decided to spend Easter with us at Hi-Tec Oils Toowoomba Speedway. Its now time to sit back and enjoy the show.

The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

# PAST WINNERS

Formula 500 racing within Australia began in the 1930's, back then known as TQ's. Originally the cars were powered by a 500cc two stroke engine with an extremely impressive power to weight ratio. The category then brought in 600cc to 625cc four stroke engines, allowing more flexibility in motor choices. Since the 2014 season the category has restricted the engines to nothing over 600cc.

The drivers with the 20 fastest times after the heat racing on night 1 will qualify for this exhibition race. The drivers will line up fastest to slowest, with the top 6 fastest drivers inverted (meaning the 6<sup>th</sup> fastest driver will start pole). This event pays \$1,000 to win, with prize money paid right down the line to 20<sup>th</sup>.
